

CMJ Israel

CMJ, a dynamic ministry propelled by devotion to God and the fulfillment of His promises to His people Israel, is reaching out to thousands, both locals and visitors to the Land.

Christ Church, located in Jerusalem's Old City, is a center of prayer and worship for all nations; pilgrims and seekers come here to experience the kingdom of Heaven through Jesus' Body on the earth.

The museums reveal the scope of the Christian contribution to the Restoration of the State of Israel, as guides tell this remarkable story to thousands of Israeli visitors each year.

Christian schools serve local and international believers, offering students a unique Jesus-centered perspective and a strong education in a caring community.

Biblical study tours illuminate the Jewish roots of the Christian faith, helping believers from many nations understand God's continued role for the Jewish people.

Hospitality ministries give both Israelis and pilgrims a safe haven for resting, exploring the Land and seeking an encounter with God.

CMJ, with its rich heritage of 200 years of service and its present diversity of ministries, continues to bridge ethnic, religious and national boundaries, sharing the reconciling love of Jesus with both the Jewish People and the nations.

CMJ Canada?

WHY ISRAEL?

The Biblical Perspective

Understanding the Jewish Roots of Our Faith

We believe the understanding of Israel, “for such a time as this,” is a vital part of our discipleship. According to Paul’s writing in Romans 9, 10, and 11, we have been ‘grafted into the root; into a covenant relationship which God first revealed to the Jews and now includes Gentiles through their faith in the Jewish Messiah Jesus.

In our time much is happening in fulfillment of God’s promises to the Jewish people found in the scriptures. As we explore together, we believe you will get more excited about the God we serve and His amazing faithfulness to His Word. There is no better picture of this than the reality of the restoration of Israel and return of the Jewish people to a homeland.

This course is offered as part of the ministry of CMJ – The Church’s Ministry to the Jews – Canada.
