## Come Volunteer with CMJ ISRAEL

**Committed to the God of Abraham, Isaac, and Jacob and the people of Israel, we have been representing in word and deed, the love of Jesus among the peoples of the Land, since 1833.**

Present in Jerusalem, Jaffa/Tel Aviv, and the Galilee we work and worship and bear witness together as communities of faith not simply as individuals. Hospitality is one of our main ministries enabling us to provide an education for Western Christians about the Jewish roots of their faith. We also strive to be a blessing to the Jewish people and other communities that surround us. We provide clean and welcoming rooms, good meals, great coffee all through people who do hard work as an offering to the Lord. That hard work is part of the discipling process that we all participate in as a community.

But work isn't all we do. We worship, study, and pray together most days. There are congregations that meet in our facilities, so all of us attend a weekly service of worship and instruction. One benefit of being part of our communities here in Israel is our focus on the Jewish roots of the Christian faith. It is a rich area of study that will deepen a disciple's walk with the Lord. We provide opportunities to see the land, explore biblical sites, and anchor the Bible in space and time that is possible nowhere else.
